### ABOUT ISOL FOUNDATION

Integrating Spirituality and Organizational Leadership Foundation (India) and ISOL Global Foundation (USA) is an interfaith research based management education initiative. The edifice of ISOL Foundation (India & USA) is built on the synthesis of sectarian beliefs. This harmony of religion is the spirit of the Foundation. Nine Research Groups (represented in the logo of ISOL Foundation) are created to draw insights from different wisdom traditions across various faith groups and integrate it with the leadership styles for creating non-violent, non-exploitative and sustainable organizations.
